

# 'Project Handclasp' Drive Ends at BMHS

More than 85 tons of supplies had been sent to Vietnam by students at Bishop Montgomery High School as the school's Project Handclasp drive ended this week. The drive was sponsored by the sophomore class, which contributed most to the project during the six-week drive. Two sophomore classes spent last weekend at San Diego harbor touring ships and lunching aboard the aircraft carrier USS Sperry for their efforts during the drive. Top individual honors were won by Mary Hunting, who earned 12,958 points, as the top girl, and Dan Cleary, with 6,098 points to lead the boys. Each earned a sterling silver Project Handclasp pin. Other girls who earned the pins included Marilyn Berning, 7,733; Joan Brogdon, 5,555; Kathy Callahan, 5,400; and Noreen Martin, 4,119. Other boys earning pins were Bill Akana, 4,670; Greg Collins, 2,255; Kurtis Knipple, 1,763; and David Bemowski, 1,340.

## Elected to Board

Clair L. Peck Jr., general manager of C. L. Peck Contractor, has been elected to the board of directors of the Northrop Corp.

**SPECIAL RECOGNITION . . .** Charles T. Cederlof (center), long-time chairman of the Southern Region Committee of the Tuberculosis and Health Association of Los Angeles County, received a special award in appreciation for his service from association president Arthur W. Weiss, right. Cederlof's successor

in the committee post, Robert L. Warnock; also is his successor as vice president and general manager at the Glendale Federal Savings and Loan Association Torrance branch. Cederlof moved to a new position with his company and is a member of the fund raising section of the TB Association.

# Contract for Sepulveda Project Awarded by City

Major improvements in the width and sturdiness of a long stretch of Sepulveda Boulevard in the Shoestring Strip, and the installation of more than a half-mile of sewers, and a street lighting system, has been ordered in the award of a construction contract by the Los Angeles Board of Public Works. District Councilman John

S. Gibson Jr. said the Board gave the contract to the Nelson & Belding Contracting Corporation on its bid of \$183,409.85 which was the lowest of eight, and 18 percent under the city's estimate.

The work—scheduled for completion in 120 working days — also will eliminate ponding which has been a bane to motorists after a heavy rain.

## Math Team Wins Event

A team of South High students has won top honors in the first annual Harbor Mathematics League competition, held at Gardena High School. Winning South High students included Marcia Kirk, Neal Harve, Jean Davies, and Jim Satt. South, with 178 points, competed against teams from Rolling Hills, Palos Verdes, Narbonne, Carson, Gardena, and Washington high schools. Other Spartans participating in the event included Steven Beach, Mark Abramson, Ken Marvin, Jim McGrath, Bruce Phinney, and Stan Schiff.

The project also includes installation of 2735 feet of 8-inch to 15-inch mainline sewers and, 389 feet of 6-inch house connection sewers. City and county will share the cost as the boulevard is considered a major feeder for the Harbor Freeway. Freeway-bound traffic in the area is expected to be relieved by the improvements.
